

DUROSTICK SALT FREE

Salt remover

PROPERTIES

Active cleaning agent that removes salt stains and soap scum. It easily removes sea water stains, rust and limescale. Spray it once and in no time, without any scrubbing, it restores the lost luster of stainless steel and chrome fixtures, accessories and constructs.

APPLICATIONS

DUROSTICK SALT FREE is suitable for use in the household or the boat, in the bathroom area (faucets, showers, tiles and bathroom accessories). Also suitable to use in the kitchen area (stainless steel sinks, electric kettles, kitchen utensils) etc. as well as irons and clothing steamers. Suitable for cleaning salt stains on clay pots and jars. Use SALT FREE to remove salt stains and rust from all the stainless steel parts of boats and maintain their impressive sheen. Furthermore, it is deemed necessary to hotels and restaurants as well as hospitals and foodservice spaces in general.

USE

SALT FREE is a very powerful cleaner. During application and even rinsing, the use of protective gloves is necessary. Spray from a distance of 20-25cm and allow for the product act for 3-5 minutes. Following, rinse with plenty of water.

STORAGE

Store in shaded places, for at least 36 months from production date.

SAFETY DIRECTIONS

The product is classified as corrosive. It is recommended to keep it locked, away from the reach of children and apply it in well ventilated areas. Before use, refer to the cautions on the product packaging or the Material Safety Data Sheet.
