

# BIOCLEAN

## Biodegradable cleaner for glass & furniture

### ■ PROPERTIES

Biodegradable cleaner without ammonia, phosphates, and petroleum products, per the European directive EC 648/2004 governing detergents in terms of their biodegradability. It cleans quickly, effectively and safely, without affecting sensitive surfaces. Its application yields streak free surfaces with luster.

### ■ APPLICATIONS

BIOCLEAN glass & furniture cleaner is ideal for windows and mirrors, lacquered furniture as well as doors and windows coated with varnish or oil paint. Clean safely and effectively kitchen cabinets and appliances, television and computer screens as well as car windshields and stainless steel utensils, etc.

### ■ USE

Spray the areas you want to clean.  
Use a soft, lint free, cotton cloth to apply

the product throughout the surface with successive movements.  
In no time, surfaces shine clean, without any streaks or dull spots.

### ■ CONSUMPTION

1lt/12-14m<sup>2</sup> of surface.

### ■ STORAGE

Store in places protected from frost, for 36 months from production date.

### ■ SAFETY DIRECTIONS

The product needs no hazard labeling under current European and National legislation. However it is recommended to keep away from the reach of children.  
If swallowed, seek immediate medical advice and show the container or label.
