

# BIOCLEAN

Biodegradable cleaner for polished marble

## PROPERTIES

Biodegradable cleaner without ammonia, phosphates, and petroleum products per the European directive EC 648/2004 governing detergents in terms of their biodegradability. Its cleaning action does not affect any surfaces from tiles, polished or honed marble, even when used on a daily basis. Thoroughly cleans stains created over time within grouting, allowing them to maintain or recover their original color.

## ADVANTAGE

- It is the only cleaner that can be used on polished marble on a daily basis.
- The use of BIOCLEAN is harmless and there is no need for ventilation of the area when applied.

## APPLICATIONS

BIOCLEAN cleaner for polished marble by just spraying it once and allowing for it to act for a few minutes, removes stains from wine, soft drinks and soda, blood, permanent markers, pet stains

etc. Removes time related stains (yellowing) from old marble and granite. Removes accumulated air pollutants from building facades lined with marble and decorative natural or artificial bricks. Indispensable for residences, public and professional facilities, restaurants, hotels, hospitals, public restrooms etc.

## USE

For tough stains spray or apply the undiluted product on the surface and allow for 5-10 minutes to pass. Scrub the surface using a stiff brush, a stiff broom or a sponge. Rinse thoroughly to reveal an impressive result that shines all surfaces, sanitary fixtures and stainless steel sinks. For the daily care and the maintenance of the surface color(s), it is recommended to add 50ml BIOCLEAN for every 1lt of the mopping water. Compatible with cleaning machines.

## LIMITATION OF USE

Not recommended for cleaning residues from grouting materials and tile adhesives.

# BIOCLEAN

Biodegradable cleaner for polished marble

## CONSUMPTION

1lt/12-14m<sup>2</sup> of surface.

## STORAGE

Store in places protected from frost, for at least 36 months from production date.

## SAFETY DIRECTIONS

The product needs no hazard labeling under current European and National legislation. However, it is recommended to keep away from the reach of children. If swallowed, seek immediate medical advice and show the container or label.

## PACKAGING

Carton box with 12 pcs of 750ml each one  
5lt, 20lt containers

### TECHNICAL SPECIFICATIONS

<b>Form - Color</b>	Liquid - Mild cleaner - Transparent
<b>Density</b>	1.00±0.05kg/lt
<b>Scent</b>	Long lasting fresh scent

### Does not release vapours

<b>Contains</b>	Non-ionic surfactants are less than 5% Anionic surfactants are less than 5%
-----------------	--

The product has been officially examined and certified by the following German institutes:

- **FRESENIUS Institute**
- **BREGAU Institute for applied environmental technology**
