

BIOCLEAN D-63

Biodegradable cleaner for bird waste & insects

PROPERTIES

Biodegradable cleaner without ammonia, phosphates, and petroleum products per the European directive EC 648/2004 governing detergents in terms of their biodegradability

APPLICATIONS

BIOCLEAN D-63 dissolves with just one spray, and without rubbing, stuck bird droppings, without affecting the colors of automobiles. It also removes insects stuck to the windshield, the car glasses, the lights, the mask and the fenders of automobiles. Suitable to clean metal and wood railings as well as the marble saddles underneath. Use it to clean surfaces immediately and protect them from damage created by bird droppings.

USE

Spray the spot you want to clean and after 5 minutes wipe with a soft, microfiber damp cloth and rinse with water.

USEFUL TIP

Bird droppings are one of the most damaging factors for the color of automobiles. Droppings are acidic, so they dull, they eat away and destroy the color of the automobile if they are left, dried and not cleaned as soon as possible.

CONSUMPTION

Depending on the application.

STORAGE

Store in places protected from frost, for at least 36 months from production date.

SAFETY DIRECTIONS

The product needs no hazard labeling under current European and national legislation. However, it is recommended to keep away from the reach of children. If swallowed, seek immediate medical advice and show the container or label.

PACKAGING

Carton box with 12 pcs of 500ml each one
