

MARINE METAL CLEANER & POLISH

For stainless steel, brass and nickel plated metals

PROPERTIES

Powerful cleaning cream, specially formulated for the removal of surface rust, oxidation, corrosion and polishing of metals. It restores surfaces to their original gloss and protects them from new corrosion.

APPLICATIONS

DUROSTICK MARINE METAL CLEANER & POLISH is suitable for cleaning, polishing, and restoring metals, such as stainless steel, brass, copper, nickel plated and non-anodized aluminum. Ideal for stainless steel handrails of boats.

USE

- Shake well before use.
- Apply the cream on spots and rub lightly with a soft cloth.
- Rinse the surface with water.
- Dry the clean surface with a cloth, paper towels or cotton.

CONSUMPTION

Depending on the application

STORAGE

Store in shaded places, protected from frost, for at least 36 months from production date.

SAFETY DIRECTIONS

The product is classified as an irritant. It is recommended to keep away from the reach of children and apply it in well ventilated areas. Before use, refer to the cautions on the product packaging or the Material Safety Data Sheet.

PACKAGING

Carton box with 12 pcs of 150gr each one
