

DUROSTICK QUICK CLEANER

Suitable for residential & commercial use

PROPERTIES

Active and low-foaming cleaning agent. With just one spray and in no time, it easily removes tough stains and dirt as well as dried or burnt fat without any scrubbing. Distinguished for its exceptional cleaning action without affecting or damaging the surfaces it is applied on.

APPLICATIONS

DUROSTICK QUICK CLEANER is ideal for the cleaning of both commercial and residential surfaces and spaces. Use it to clean bathroom sinks and porcelain or vinyl bathtubs and showers, glass shower enclosures and their acrylic bases. Also use it to clean faucets and stainless sinks. Clean effectively ceramic cooktops and range hood filters. Preheat ovens to 50°C and clean them thoroughly and efficiently. It is highly recommended for cleaning commercial and residential awnings, truck tarps but also for cleaning boat decks. It cleans tiles and granite, as well as laminate floors etc.

USE

DUROSTICK QUICK CLEANER is a very powerful cleaning agent. During application and even rinsing, the use of protective gloves is necessary. Spray from a distance of 20-25cm and allow for the product act for 1-3 minutes. Following, rinse using a wet sponge and plenty of water. For general cleaning and freshening up resulting in sparkling clean surfaces throughout the house, add 1 cup of QUICK CLEANER in 4lt of fresh water.

STORAGE

Store in shaded places, for at least 36 months from production date.

SAFETY DIRECTIONS

The product is classified as corrosive. It is recommended to keep it locked, away from the reach of children and apply it in well ventilated areas. Before use, refer to the cautions on the product packaging or the Material Safety Data Sheet.
