

# WC CLEANER

## Active liquid cleaner

### ■ PROPERTIES - APPLICATIONS

Powerful cleaner, especially effective for the cleaning of any color toilet bowl at regular intervals.

Instantly removes hard water build-up, salts, mineral deposits and rust. Dissolves organic pollutants and deposits, even from the most difficult parts of the toilet bowl.

Prevents the formation of salt stains and germ growth, and eliminates unpleasant odors. Gives shine, ensures cleanliness and hygiene, releasing a long-lasting fresh scent.

Necessary for homes, public and commercial spaces.

### ■ USE

Lift the toilet seat and cover. Carefully open the lid and turn the bottle upside down. Direct the bottle

in a circular motion and pour a small amount around the inside of the rim of the toilet and the bottom.

Allow for it to stay on for 3-5 minutes. Scrub with the toilet brush and rinse by flushing. Put the lid in its original position and close the bottle tightly until you hear a 'click' sound.

### ■ LIMITATION OF USE

Do not use WC CLEANER in combination with other liquid or solid cleaners or clog removers to avoid a hazardous reaction.

### ■ STORAGE

Store in shaded places protected from frost, for 18 months from production date.
