

BIOCLEAN SOLAR PANEL CLEANER

Biodegradable cleaner for solar panels and collectors

■ PROPERTIES

Biodegradable cleaner, free from ammonia, phosphates, and petroleum derivatives, per the European directive EC 648/2004 governing detergents in terms of their biodegradability. A specially formulated cleaner for removing dirt from solar collectors.

■ ADVANTAGES

- Does not cloud the panels.
- Does not harm adjacent crops during rinsing.
- Its cleaning action does not affect galvanized or aluminum surfaces (including delicate ones such as tin, magnesium, etc.), unpainted or electrostatically coated surfaces, electrical cables, or other components.
- Ensures clean collectors for optimal system performance and longevity.

■ APPLICATIONS

BIOCLEAN SOLAR PANEL CLEANER easily removes dust, exhaust residues, soot, pollen, mud rain, water salt deposits, as well as bird and bee droppings from solar panels and solar water heater collectors.

■ USE

5lt Container: Spray using the chosen equipment and allow the product to work for 5 minutes. Alternatively, apply it with a cleaning brush. Rinse with water.

750ml Bottle: Spray and allow the product to work for 5 minutes. Rinse with water and/or gently scrub with a damp sponge or brush.

The waste is fully biodegradable, eliminating the risk of accumulation.

It can be used as is or diluted with water up to a 1:1 ratio, depending on the level of contamination.

BIOCLEAN SOLAR PANEL CLEANER

Biodegradable cleaner for solar panels and collectors

■ CONSUMPTION

1lt/12-14m² of surface.

■ STORAGE

Store in places protected from frost, for 36 months from production date.

■ SAFETY DIRECTIONS

The product does not require hazard labeling under current European and National legislation. However, it is recommended to keep away from the reach of children. If swallowed, seek immediate medical advice and show the container or label.

■ PACKAGING

Carton box with 12pcs of 750ml each one.
5lt container.

TECHNICAL SPECIFICATIONS

■ Form - Color	Mild liquid cleaner - Green
■ Density	1.00±0.5kg/lt
■ Scent	Long lasting fresh scent
■ Does not release vapours	
■ Contains	Non-ionic surfactants are less than 5% Anionic surfactants are less than 5%

Permit No. by General Chemical State Laboratory
ELEFSIS: 3093/2008

The product has been officially examined and certified by the following German institutes:

- **FRESENIUS Institute,**
- **BREGAU Institute**

(for applied environmental technology).
