## Color creations in 20ml syringe packaging

### ■ COLOR CHART OF DUROCOLOR SYSTEM

High quality ready made pigments in convenient 20ml syringe packaging each one.

Create the colors you desire through the color chart of the DUROCOLOR measuring system for shade rendering, with 120 color recipes or follow your inspiration and create your own unique color. Using the DUROCOLOR coloring system one can readjust the original color of choice and progressively evolve it. Color all emulsion and acrylic paints, elastomeric paints and waterproofer, water-based enamels, epoxy-based paints, as well as the microcement in paste form DS-258 DECO MICRO FLEX.

Combine the white pigment with solvent-free epoxy and acrylic resins to create unique styles.
